## Hardware:

- The following "default" quantity of screws and straps will be sent with the order unless otherwise noted in the "Requested" section.

Note - If a number is entered into the "Requested" field, that will replace the default for that item only and all other fields will remain the same.

Standard Materials:	Default	Requested
1 ¼" Screws	_____	_____
1 ½" Screws	_____	_____
1 ¾" Screws	_____	_____
Straps	_____	_____
<b>Optional Materials:</b>		
Driver Handle (With Bit Installed)	_____	_____
Security Bit Only (Customer Supplies Handle)	_____	_____
Customer Handout (Manual)	_____	_____

### Optional Materials Notes:

- When a customer receives their first shipment of Validators, they will receive one each of the Optional Materials (Driver Handle, Security Bit, and Customer Handout).
- Since Dial-n-Document encourages their customers to limit the number of security bits available to maximize security, all subsequent Optional Materials will only be shipped upon request.

Payment (Select One):

Lump Sum Billing (One-time cost of \$52 each)

Monthly Billing (\$5.00 each billed monthly for a period of 12 months)
